

# Using iPad, iPod touch and iPhone as Assistive Technology: Ramp Up Your Knowledge

**Cathy Kingeter**

Director of Sales and Marketing  
Origin Instruments

**Mark Coppin**

Director of Assistive Technology  
Anne Carlsen Center for Children

Download Presentation - [files.me.com/mcoppin/racrhh](http://files.me.com/mcoppin/racrhh)

**iPad 2 features** - Back and back camera (HD video with back) •Internal mic •33% thinner •Up to 9X faster •Video mirror/Video out support •3 axis gyro •Accelerometer •Ambient light sensor

## **iOS Feature -**

Multitasking

Folders

Orientation Lock

AirPrint

Prevent Deletion of Apps

## **Tips**

**Saving Photos** - To save a photo from either Safari or E-mail, tap and hold your finger on the photo and select “Save Image”.

**Take a Screenshot** -To take a screenshot of what is on the screen, press the home button and then the power button. This will take a snap of the screen and place it in the Photo gallery.

**Protect your Device** - Protect your device by setting 4 digit passcode.

**Enabling Restriction** -Limits access and the ability to “Lock” delete apps, install apps, make in app purchases, etc.

## **Accessibility Features**

VoiceOver

Zoom

White on Black

Closed Captioning

Mono Audio
