

# Big Improvements: New Online FSA Experience

2018 is a year of big system improvements at American Fidelity Assurance Company. We're proud to share that one of those system upgrades supports your Flexible Spending Account (FSA) management. Here are a few new and popular features you can expect at americanfidelity.com beginning April 30th.

**Select**  
text and  
email alerts

**File**  
claims

**Pay**  
providers directly  
from your account

**Check**  
claim status

**Link**  
receipts and  
documentation

**View**  
account balance

## System Upgrade Notice

**To allow for system upgrades, online FSA access and claim filing will be unavailable April 25-29.**

Your Healthcare FSA card may be used during this time.

Dependent Care Account participants: We recommend submitting all eligible claims prior to April 24th. For a claim to be eligible, the services must have already been received. In other words, if you're holding on to previous months' daycare expenses, go ahead and file your claim to help ensure your reimbursement is processed as promptly as possible. Thank you!

Manage  
Your  
Account  
Online

**Don't Have an Account? Registration is Easy.**

Go to [americanfidelity.com](http://americanfidelity.com) and click "register."

**Already Have an Account?**

If you're already managing your FSA or HRA online – you're all set! Beginning April 30th, log in the same way you're used to at americanfidelity.com. Then, click the FSA/HRA button to access the improved portal.
