

Greetings from 509J Transportation. Welcome back families and we hope you had a great summer. This year the team is happy to transition from providing start of the year bus route information in the newspaper to our own the 509J web site. We will be updating the routes on an as needed basis and we are excited about the ability to do that in real time. Thank you Joey Precht!

***PLEASE BE 5 MINUTES EARLY FOR ALL STOPS.**

*If you do not recognize your stop on the web site, your kiddo has changed schools, or you have moved, please give transportation a call.

*Please remember that at the beginning of each year there can be some delays at the end of the day. Lots of new everything. Please be patient and kind.

*When looking up your AM/PM times for your kiddo, please note the color of your kiddos school. Your AM/PM times will be printed in the same color. Also, PM drop time is an estimate. It can change according to how many kiddos are riding.

*Please scroll through the routes after you find your kiddos route information and locate the, 'Did you know?' section at the end of the routing page. We hope you will find the information helpful. Thank you and have a great school year.

- #16 - 4:48 PM - Stop / 8251 NW County Line Rd
- #17 - 4:49 PM - Stop / NW County Line Rd & US-26

Did you know?

Parents/guardians: Here are a few things to keep in mind as your family and kiddos progress through the upcoming school year.

*Not all stops will be at your door. Safety, first and foremost, is the most important factor when deciding a stop location but efficiency of the routes is also part of getting the job done.

*If your kiddo is assigned to a group stop, the likely reason is that there are many kiddos in close proximity to your address. The group stop is to address safety, efficiency, and trying not to clog up traffic in your area.

*If we are picking up a kiddo at their address and there is a group stop close by—in this instance, it is very likely a safety issue that prevents us from directing that kiddo to a group stop.

*As directed by ODE, all schools have walk zones. The guidelines are:

K-5 are in the walk zone if they live within 1 mile of their school.

6-12 are in the walk zone if they live within 1.5 miles of their school.
