ATHLETIC PARTICIPATION AGREEMENT (Please tear this page off and return to JCMS. This must be turned in before a student can practice)

PLAYER NAME: _____ GRADE: _____ DATE: _____

SPORT my child can participate in (please check): Football Volleyball
 Cross County GBB BBB Wrestling Track

Athletic participation at JCMS is contingent on players following all the rules and procedures outlined in the Athletic Handbook AND any additional expectations that a coach has for a specific sport.

Players who fail to adhere to the rules and procedures are subject to disciplinary action and possible dismissal from the team.

It is therefore important that parents read through and assist their children in understanding all the rules of athletic participation and eligibility as outlined in the athletic handbook and the guidelines of the individual sport that coaches will provide each season.

This form must be signed by parents and athletes and be returned to the athletic coordinator before a student will be allowed to participate in a contest.

Other forms needed before participation include a current sports physical cleared and signed by a physician, an emergency medical release card signed by the parent, and any sport-specific guidelines that a coach hands out to players at the start of a new season.

Student athletes are responsible for getting all forms home to be signed by parents and returned to the coach or Athletic Coordinator before participating in a contest.

Please read the athletic handbook and discuss the rules and procedures for participation, including attendance at school and practice, and grade eligibility requirements, with your child. Then sign the form below and have your child return it to his/her coach or turn it into the athletic coordinator.

If you have any questions or concerns please call Todd Eckhart @ 541.475.7253 or email @ teckhart@509j.net

I have read and understood the rules and procedures for athletic participation at JCMS. By signing here, I agree to follow all rules and procedures and understand that my participation in athletics is subject to compliance with the rules and procedures as outlined in the athletic handbook. I understand that a coach may provide players with additional guidelines specific to a sport at the beginning of the season and that I must also adhere to those rules.
